

Technical specifications

Type of gas holder	GS 24
Serial number:	2016-11126
Useful volume	900 m ³
Diameter of gas holder	24 m
Height of gas holder	5 m
Gas operating pressure	5 mbar
max. gas consumption	500 m ³ /h
max. gas production	500 m ³ /h
max. snow	50 kg/m ²
max. wind	140 km/h
min. pressure for max. load	5 mbar
Temperature	
air-side	-30°C up to +60°C
gas side	up to +55°C
