

This architectural section drawing shows a long, single-story building with a flat roof. The interior is divided into several rooms of varying widths. The rooms are filled with horizontal lines, suggesting a specific material or structure. The drawing is oriented horizontally, with the roof at the top and the ground level at the bottom. The overall style is technical and precise, typical of architectural blueprints.

The floor plan shows a large rectangular building with a central corridor. On the left side, there are several rooms, including a large one labeled '101' and a smaller one labeled '102'. On the right side, there are more rooms, including a large one labeled '201' and a smaller one labeled '202'. The plan also shows a central area with several circular tables and a small kitchen area.
