

Technical drawing of a railway track cross-section showing the catenary system, support structure, and track bed. The drawing includes dimensions for the catenary span (13.60m), support structure (4.30m), and track bed (0.30m). It also shows the location of the catenary post (EIXO DO POSTE DE CATENÁRIA) and the track bed (TAMPAS PRÉ-FABRICADAS). The drawing is labeled with '213' and 'GUARDA CORPOS'.

Technical drawing of a railway track cross-section showing the layout of the catenary system. The drawing includes the following elements and dimensions:

- Overall Dimensions:**
 - Total width: 13.60
 - Distance between catenary posts: 4.30
 - Distance from catenary post to track centerline: 2.15
 - Distance from track centerline to balustrade: 2.20
 - Distance from balustrade to catenary post: 2.45
- Catenary System:**
 - EIXO DO POSTE DE CATENÁRIA:** Catenary post axis.
 - TAMPAS/PREFABRICADAS:** Prefabricated covers.
 - BALASTRO:** Ballast.
 - GUARDA-CORPOS:** Guardrail.
- Dimensions and Spacing:**
 - Distance between catenary posts: 4.30
 - Distance from catenary post to track centerline: 2.15
 - Distance from track centerline to balustrade: 2.20
 - Distance from balustrade to catenary post: 2.45
 - Distance between balustrades: 4.30
 - Distance from balustrade to track centerline: 2.15
 - Distance from track centerline to catenary post: 2.15
 - Distance from catenary post to track centerline: 2.15
 - Distance from track centerline to balustrade: 2.20
 - Distance from balustrade to catenary post: 2.45
 - Distance between catenary posts: 4.30
 - Distance from catenary post to track centerline: 2.15
 - Distance from track centerline to balustrade: 2.20
 - Distance from balustrade to catenary post: 2.45
- Other Dimensions:**
 - Distance from catenary post to track centerline: 2.15
 - Distance from track centerline to balustrade: 2.20
 - Distance from balustrade to catenary post: 2.45
 - Distance between balustrades: 4.30
 - Distance from balustrade to track centerline: 2.15
 - Distance from track centerline to catenary post: 2.15
 - Distance from catenary post to track centerline: 2.15
 - Distance from track centerline to balustrade: 2.20
 - Distance from balustrade to catenary post: 2.45
 - Distance between catenary posts: 4.30
 - Distance from catenary post to track centerline: 2.15
 - Distance from track centerline to balustrade: 2.20
 - Distance from balustrade to catenary post: 2.45
