Technical drawing of a rectangular plate with the following dimensions and features:

- Overall Dimensions:**
 - Width: 12.50
 - Height: 7.20
- Internal Features and Dimensions:**
 - Top Section:** A red dashed rectangle with a width of 4.70 and a height of 2.975. It contains two circular holes, each with a diameter of 2.00.
 - Bottom Section:** A red dashed rectangle with a width of 4.70 and a height of 2.975. It contains two circular holes, each with a diameter of 2.00.
 - Left and Right Sections:** Two shaded rectangular areas, each with a width of 1.85 and a height of 4.225.
 - Central Section:** A central area with a width of 16.30 and a height of 2.00.
 - Corner Dimensions:** The corners of the plate are rounded with a radius of 3.75.

Technical drawing of a rectangular reinforced concrete slab. The drawing shows the slab's dimensions and reinforcement details. The overall dimensions are 21.00m by 8.90m. The slab is divided into sections with widths of 1.50m, 4.50m, 4.50m, 4.50m, 4.48m, and 1.50m. The total width is 21.00m. The overall depth is 8.90m, with a central section of 7.20m and side sections of 0.85m and 0.50m. The drawing includes reinforcement details for the top and bottom bars, with diameters of $\phi 1.20$ and $\phi 0.25$. A detail view shows the corner reinforcement with dimensions 0.03m and 0.03m. The drawing is labeled with dimensions and reinforcement details.
